Autumn launch

Autumn campaign traffic

Resource 123

Scope Campaign: autumn-launch

2026-10-01 — 2026-10-24

Refreshed 2026-10-25 10:00 UTC

Metric	Value
Sessions	**8,200**
Active users	**6,140**
Key events	**356**

Source and reporting notes

- Exact session campaign name match. These campaign users overlap with website traffic and are not added to the other scope.
- GA4 attribution and property timezone apply.

Saved snapshot export. No new provider query was made. Providers, overlapping scopes and different currencies are not combined. Unavailable values are not treated as zero.
